

## WEBSITE and NEWSLETTER ADVERTISING

FILMMAKER Magazine has covered the independent film industry for over sixteen years with a singular perspective that has proven to be the perfect vehicle for reaching active film producers, directors, cinematographers and other key independent film and video decision makers.

Filmmakermagazine.com expands the audience of our print publication to reach readers interested in the craft of independent films. Articles from the current issue are available as well as many online features including:

- Blog
- Web Exclusives
- Director Interviews
- Videos
- Load & Play
